

Sixth Form Parent Notes

No Sixth Form Assembly this week due to PSHE Period

Sixth Form Christmas Party – Monday 18 December at Westerham Golf Club

We have a limited number and tickets are going fast so please encourage them to buy.

Year 13 UCAS Clinic – Every Wednesday and Thursday 3.30pm–5.30pm Sixth Form Study Area

All going well but time is ticking away towards 15 January 2018 deadline. If students still haven't got on with it then please encourage them to visit our clinics. All students who have finished also have a reference done and sent to UCAS.

Sixth Form Lanyards

We continue the push on lanyards with the majority of students supporting us but not all. For those students who will not wear their lanyard, we will send them home. It is essential for safeguarding that those not in uniform are identified as our students by their lanyard.

Sixth Form PSHE Lesson – Monday P4 – Year 12 and 13

This is a whole school PSHE lesson and we are thrilled to say that we have an ex-student (left in 1994) Jim Alexander coming in to run a session with the students.

Jim is an accomplished actor and has been in *Holby*, *London's Burning*, *Casualty*, *EastEnders* and a lot else besides. He now works giving presentations to big business and other organisations of well-being and coping with stress and maximising your output etc. He has promised us an upbeat, positive, interactive and fun session that will look to give all of the students some simple strategies to manage the forthcoming examinations and other pressures they inevitably feel.

Finance England – University Finance Presentation for Year 13

Students in Year 13 applying to university are invited to attend this session on Wednesday (P4) in the Eden Hall. We do not deal with student finance issues so this is their only chance to hear directly from the organisation that does – **Finance England** – they will get a chance to ask questions and bring home informative literature.

Year 13 January Mock Exams

Students will receive their January examination timetables this week
