

Year 11 Parent Notes

Our assembly this week focused on celebrating achievement for the first half term of the autumn term. It has been a term of hard work, setting up high expectations and readiness to learn for Year 11. Now is the time when teachers and tutors reflect on the work our students have done and the achievements they have made to inspire them with the confidence and determination to continue to embrace the new challenges of Year 11.

As it has always been our tradition the tutor groups with the highest achievement House points were commended and awarded with some chocolate treats:

Celebrating Achievement

Tutor Group of the Half-Term

1st Place:

11SS – Congratulations to Miss Stephen and all her tutees!

Tutee for this term was nominated from each tutor group and it was so amazing to see that our students excel, not only in achieving a huge amount of House points, but also engaging in community activities, out of school sport events and competitions and simply volunteering to help people in need.

Mrs Euridge and Mr O'Flynn enthused courage and competitive spirit for the challenges ahead in Year 11 during our assembly.

Important message from the English Department about the winter exams

Students will sit a Paper One for English Language and a Paper Two for English Literature.

In preparation for the English Literature exam, students should revise the AQA poetry on love and relationships, and either Blood Brothers **or** Lord of the Flies.

For English Language, students should practice answering questions 1 to 4 and work on their descriptive and narrative writing for question 5.

Revision guides will be emailed out to parents/carers at a later date and sent to students via Frog (homework).

If you have any questions, please contact your child's English teacher at the school.
