

Year 11 Parent Notes

The focus of this week has been on ensuring that students in Year 11 have got a clear idea of what they are going to do having completed their studies and taken their GCSEs in the summer. It is only natural for some of them to be still in doubts and hesitant to apply to colleges and look for jobs that they feel will be suitable for them.

The Sixth Form team and our Progress team has continued with the Careers interview to support our students in making the right choices. Please, discuss with your son/daughter how they feel about the choices they have already made, and if you feel that you need more advice or help do not hesitate to contact us and if needed, arrange a meeting.

An important message from the Sixth Form team

The Oxted School Sixth Form team will be sending confirmation letters to all Year 11 applicants by post at the start of next week.

Amendments to the provisional exam timetable

Please check the link on the school bulletin for amendments to the already issued provisional exam timetable. There was an error in relation to the date for one of the exams for Classical Civilisation – the correct date is 14 June 2018.
