

Year 8 Parent Notes

Year 8 students will have received their reports a hard copy should have come home via your son/daughter and a copy is also available on Frog.

Students are now reflecting on their progress in tutor time and considering where their main successes were, and where they can improve and how. If you would like to see the sheet that they are using, please see attached. It would be wonderful if you could also go through this with them at home and use it as a point of dialogue.

We are also looking to commend those students who have achieved particularly well and who have excellent attitudes to learning. These students will receive a doughnut and a big well done during a tutor time next week.

It has been fabulous to see so many students attending **SHOW**time. These students have experienced less behaviour points as a result and have commented that they feel much more confident with homework.

Those who are unable to attend afterschool SHOWtime club are very welcome to attend the lunch time homework club in G11 which is staffed and is open every lunchtime. If you would like your child to attend the lunchtime club, but feel that they need a little encouragement, please email Miss Wheeler and we will endeavour to make this happen!

Thank you for your support.

Enjoy your weekend.
