

Year 8 Parent Notes

I have received quite a few emails asking about the options process and the rationale behind the options choices at Oxted School.

Please be assured that all of this information will be covered on Thursday 15 March at Year 8 options evening. During this time, Mrs McNamara will give a talk on the entire process from start to finish, and you will have the opportunity to talk to both of us if you have any specific questions. You will also be able to go to individual subjects and ask subject-specific questions.

Students will have an Options assembly on Tuesday 20 February. This will give them more information on what they can choose as GCSEs and what is compulsory to be taken. It will also explain the options process to them in more detail.

Students will take part in activities during tutor time that will support them in choosing the most suitable options for them. The deadline for students to make their options choices is Monday 26 March.

If you have any urgent questions with regards the options process that you think will not be covered at the options evening itself, please do feel free to contact Miss Wheeler.

We look forward to seeing you at year 8 progress evening on Thursday 8 March.
