

Year 8 Parent Notes

This week Year 8 students have been reflecting on their progress and attitude to learning in their latest grades sheets. Please see the document under the Year 8 section of the school bulletin, which details how they have been asked to do this in tutor time. Please do ask them to show you their reflection sheets and please do help them to set themselves targets to improve in subjects where they are not quite where they would like to be.

This week we had the pleasure of commending over one hundred Year 8 students for their improved attitude to learning from the summer term and for excellent attitude to learning during this term. It was our pleasure to present these students with a certificate and a doughnut to celebrate their successes. Mrs Euridge also commended the students and was very impressed with the number of Year 8 students present. Well done Year 8!

This week there has been a drop in the number of 'no home works' recorded which is excellent. Please do continue to prompt your son/daughter to load Frog every evening to check for homework. Students are welcome to attend homework club in G11, which runs every day, and **SHOW**time which runs in F29 every Tuesday and Thursday after school.

We would like to take the opportunity to remind you that the school show 'Anything Goes' will be running every evening at 7pm in the Main Hall from Tuesday 5 December – Saturday 9 December (with a 1.30pm matinee on the Saturday). Tickets are available from the finance office at £5.50 for students or any under 16s and £7.50 for adults (exact cash or cheques please). We would be delighted to see you and your friends and family. Spread the word and get your tickets!
