Dear Parents/Carers

## Design the Future Friday Logo and Typeface

As part of Raising Aspirations in Careers we run an event called Future Friday. Guest speakers come to the school on every Friday afternoon and speak to the students about their career paths and the industry in which they work.

The typeface and logo for the event has been a little neglected of late so we would like your child to take part in a design competition. The competition is open to all Years 7, 8 and 9 students who can take part individually or in pairs.

The theme of the competition is to revamp the Future Friday typeface by using collage, images, or drawings. We would also like the students to create a new logo for the event. After the artwork or graphics have been created please ensure that your child's name, their tutor group and my contact details (Ms K Lambert), are written on the back of the entry. The work can be submitted straight to the Careers Office or handed into their tutor.

We are delighted that a Westerham based design company, Beyond Local, has kindly offered their help for the competition. The winning design will be formatted by Beyond Local and they will invite the winning students along to their office to take part in the process. The final graphics will be used for all Future Friday posters and advertisements going forward.

You can also find out more information about Beyond Local Graphic Design and get inspiration on the following link: <http://beyondlocal.co.uk>

**Please return final artwork to Careers Office or tutor, no later than Friday 23 March.**

If you have any questions regarding this competition, please do not hesitate to contact me.

Yours sincerely

**Ms K Lambert**
