29 March 2018

Dear Parents/Carers

## **GCSE Combined Science Work Book 2017/2019**

Your son/daughter is studying for the GCSE Combined Science course, which will be examined in summer 2018.

A book has been produced by Harper Collins that covers the required practical elements, ISBN 9780008291648. This will support students in their completion of the required practicals on their GCSE Science (9-1) course.

This lab book will:

- provide students with all the information they need to perform their required practicals; including the method, apparatus needed, common mistakes and safety tips
- be the one place to record the outcomes of practicals, providing an easy reference for revision
- challenge students with extra questions designed to improve analysis, evaluation and Maths skills
- prepare students for their examinations, with exam-style questions directly linked to the required practicals and apparatus use

I would like to offer you the opportunity to purchase the book directly from the school for your child, as we are able to buy this at a discounted price. The cost of each book is £1.00. If you would like to take advantage of this offer, payment should be made using the online payment system and your Tucasi log in. If you have not received your unique Pupil Link Code to set up your online account, please contact [financesf@oxtedschool.co.uk](mailto:financesf@oxtedschool.co.uk) to forward the details you require. Please complete and return the reply slip to the Finance letterbox as soon as possible.

Thank you for your continued support

Yours sincerely

**Miss K Whiddett**
