

Sixth Form Parent Notes

Safe Drive Stay Alive – Feedback

We hope that students took a lot from this presentation and that it has given them a lot to think about. Having spoken to many of them afterwards what struck me most was how many of them, especially girls had taken lifts home when they were not certain whether the driver had been drinking or not. I told them that they should always ring home no matter how late and never take the risk.

Year 12 Drugs Awareness Presentation – Feedback

Once again a well presented and well attended talk that we hope has made our Year 12 really think about a wide range of issues linked with drug use. The presentation was delivered in a style that the students I have spoken to responded positively too.

Year 12 Assembly – Monday

An assembly for Year 12 in the Old Hall at registration time to launch 'Rule the School 2018'. This is a great initiative that has always been well received by the students. This year's rule the school I n on 9th Feb – all Sixth Form Team jobs are up for grabs!

Year 12 Progress Sheets

Year 12 progress sheets will be going home this week with current FPG, ATL and folder check grade and we hope they will give a clear and early indication of progress.

Rule the School – February 2018

By the end of Monday all of Year 12 and Year 13 will have been made aware of Rule the School and we hope a lot of them will apply for the many jobs available. This should not adversely affect their students and our experience is that as well as being fun it really improves their self- confidence and relationships with their respective staff.

Year 13 Student Finance England Presentation

On Wednesday 13 December from 12.35pm until 1.35pm, Student Finance England who oversee student loans etc, will be coming in to speak to the students about all things finance; tuition fees, loans, grants etc. If as a parent you would like to attend then please email me directly abennett@oxtedschool.co.uk. I will contact all interested parents nearer the time and meet you in reception to take to the presentation.

Year 12 Ambassador (Mentor Training)

On Tuesday 21 November Year 12 students will be invited to attend a tailored training session linked with student mentoring given by Mrs Baydas. We regularly have over 100 students trained in peer mentoring who support younger students in the lower school. We anticipate a significant number of Year 12 signing up for this very worthwhile project.

Year 13 UCAS Clinic – Every Wednesday and Thursday 3.30pm–5.30pm Sixth Form Study Area

Much better attendance last week – thanks for getting this message through!
