

Sixth Form Parent Notes

A warm welcome back and Happy New Year to you all. We hope you had a great Christmas. This is short but very busy half term particularly for Year 13 with their mock examinations.

No Sixth Form Assembly this week

No assemblies this week due to Year 13 mocks

Sixth Form Christmas Party - Feedback

A fantastic evening was had by all and we are glad to report it was incident free (apart from some of the dancing). We have already shared the photos with the students.

Year 13 UCAS Clinic - Final Clinics Wednesday and Thursday

The deadline is **Monday 15 January**. We have processed nearly a 100 applications and students who completed an application prior the end of term now have a reference. There remain a few to complete their applications and it is imperative they come to these support sessions. We want all applications to be completed by Friday 12 January, not leaving anything until the last day. If students leave it until the last day, we cannot guarantee getting everything done in time. We have of course emphasised this with the students as well.

Year 13 January Mock Exams

Good luck to Year 13 in their mock examinations – so that they can best prepare they have study leave and need only attend Art (if applicable) and their BTEC lessons (if applicable). They have all had their timetables and we asked that they arrive in good time so we can start on time.
