

Sixth Form Parent Notes

Rag Week 2018

Our chosen charity this year is 'George and the Giant Pledge'. We are working with them on a 'Back to School' disco for parents or anyone who attended Oxted School. A letter will be out next week or better still join George and the Giant Pledge on Facebook and you can book your tickets through them.

Year 12 Commendations - re arranged from last week due to weather

Mrs Euridge and the Sixth Form Team will be commending a number of Year 12 students following their reports and their impressive Approach to Learning on Monday 12 March.

Year 13 Assembly - Monday - Old Hall

Year 12 University and Apprenticeship Fair - cancelled

We are sorry that this trip had to be cancelled but a decision had to be made on Thursday morning for the coaches etc. and the weather was so unpredictable at that time as were the temperatures for students to be driving in so early. It is a challenge travelling into central London in the best of weather conditions.

We will be working hard to look for an alternative event later this year to give the students the same experience.
