

Sixth Form Parent Notes

Thank you for all of your continued support this term and we know that many of the students in Year 13 will use this Easter time to get their revision plans for the summer examinations firmly in place and underway if not already done so. Students should ensure they visit FROG for revision materials put on by departments. We hope that they can combine work and revision with recharging their batteries for what will be a very important term.

Students of the Week

Every single one of them who contributed to RAG Week – an amazing week and an amazing, caring and generous group of young people. Inspirational! A very proud Head of Sixth Form!

RAG Week

I am sure you will have been updated or seen the week develop on the school's social media but if you didn't then the week was an amazing success. The students got fully involved and behaved impeccably throughout. By the end of the week they had raised an amazing £4,273 for George and the Giant Pledge and the work of the Royal Marsden Hospital for Children

Joint Assembly this week – Tuesday, Eden Hall

Joint assembly in the Eden Hall during tutor time Tuesday

Class of 2018 Graduation – Thursday 30 August

The invitation to this evening of celebration has been sent home and parents can now purchase their tickets via the online system.

Leavers' Assembly

Parents will have received the letter regarding the leavers' assembly. Please don't let us down; can't wait to see what you send us!

UK Universities and Apprenticeships Exhibition

I am delighted to report that this event is being held again in September. We were keen to attend this due to its focus on Apprenticeships, which is a key area for us to support. We have been able to book Year 12 (who will be Year 13) onto this event. It will still be a good time for informing students. More details nearer the time.
