

Sixth Form Parent Notes

Year 13 Assembly – Feedback

Miss Williamson presented to Year 13 about their recent survey and its findings so that they know that actions do follow their feedback.

Year 12 Assembly – Monday – Common Room

Year 12 assembly will be in the Common Room this Monday and led by Miss Williamson. The theme is feedback from the survey that Year 12 and Year 13 have just done in respect to their studies. It is a positive survey but with areas for improvement that we have shared with all staff and now want to share with students. It is crucial to respond to student feedback.

Year 12 Ambassador (Mentor Training) – Feedback

Miss Baydas, who leads the training and our ambassador mentoring programme, was thrilled with the response from Year 12 and we now have a large and excited team of mentors for the younger ones in the school. We already have a number of referrals from younger students who would really benefit from a student mentor. It is such a good programme to get involved in.

Sixth Form Christmas Party – Monday 18 December, Westerham Golf Club

A letter will be coming home soon for this end of term event. There is a limited (generous) number of tickets and Year 13 will be given a few days priority before being available to Year 12. The usual rules and expectations will be in place and will be outlined in the letter

Year 13 UCAS Clinic – Every Wednesday and Thursday 3.30pm–5.30pm Sixth Form Study Area

We are now rocking and rolling – new faces popping up all the time!

Year 13 January Mock Exams

We are working on timetables for the Year 13 Mock examinations that start immediately after Christmas. Students have asked for these, which is great but the absence of a timetable does not stop them starting their revision now.
