

Year 10 Parent Notes

Year 10 students are now a full term into the start of their GCSE and I am sure they will appreciate a well-deserved rest over the Christmas holidays to recharge their batteries after a hard-working term. So far this term students have received their first set of grades highlighting how well they have started this journey. They have also attended their Progress Review Evening and hopefully have started to put in to place some of the advice their teachers have given them during this evening. Next term we will continue to support students and look to build upon the progress they have made thus far.

A reminder that when returning for the Spring Term we would like all Year 10 to make sure they are well prepared for every lesson. This means they need to have the correct books, equipment and remember all homework for when it is due. To ensure students are prepared for after Christmas it is worthwhile to note that when students return on Thursday 4 January it will be a Week 2 on the timetable.

I hope that your son/daughter has made the effort to attend at least one club during the Autumn Term and hopefully they have joined up and attended frequently. In the New Year we will continue to promote a new club every week in the hope that every Year 10 can try at least one enrichment activity during their time at Oxted in order to further enrich their experience.

Finally I would like to say thank you for your continued support. I hope that you and your family have a lovely Christmas break and a Happy New Year. I also hope that the students are refreshed and raring to make further progress beginning on Thursday 4 January 2018.

Have an enjoyable Christmas.

Mr L Hilton
Year 10 Progress Leader
