

Year 10 Parent Notes

Happy New Year! I hope that you have all managed to enjoy a restful break and that students in Year 10 have fully recharged and are ready to face the challenges of 2018.

Please remind your son/daughter that we would like all of them to make sure they are well prepared for every lesson so that they can make the most of every opportunity presented to them in these lessons? This means they need to have the correct books, the necessary equipment and remember to complete and hand in all homework for when it is due. By doing this it will ensure that they are making the most of their time here at Oxted and will be setting themselves up for success in the future.

This is just a reminder that by the end of this half term we will expect all students to have secured a work experience placement. For their placement to be secured they must make sure that they return the two important documents that went out with the letter explaining about Work Experience. The first form is the Parent Consent Form and this one needs to be filled out by yourselves. The second form is the Employer Acceptance Form, which must be filled out by the employer. These forms once filled out need to be handed to Ms Lambert in the Work Experience office or to their tutors who can pass these on.

All forms must be returned to school by **Monday 5 February**.

I hope you have a good week.
