

Year 11 Parent Notes

I hope you all have had a restful summer break and you feel ready to embark on the journey of numerous challenges that Year 11 will present to us and your children.

I would also like to take this opportunity to emphasise how delighted we are with the positive feedback we are continuing to receive from the various work placements, which our students attended during the last week of the summer term. With Mrs Seager we have been reviewing the feedback reports received from employers for the work experience week and we are extremely impressed with how well the students have done. There are many positive comments about what a pleasure it has been to work with the students, their positive attitudes, how well they have worked with the team and how many of them have been offered summer and part time work due to their strong work ethic and commitment. There is also strong praise for timekeeping and attendance. Thank you for all your support in making that last week of term a great success and an enjoyable experience. We will be copying the reports and passing them on to the students to keep as a reference for the future.

This year is about building upon the progress made in Year 10 and developing courage to ensure that we overcome the new challenges. In our assembly this week Mrs Euridge and the Senior Leadership Team presented the 3 key characteristics for success at Oxted school, extremely valuable for all Year 11 students: the 3Rs: Respect, Responsibility and Resilience.

We look forward to seeing you at **the Parent Information Evening on Tuesday 19 September** from **6.30pm until 7.30pm** in the **Meridian Dining Hall**. During this evening a lot of information about the following year will be shared with you. Unfortunately, due to the amount of information we need to give out on this evening, we are unable to offer opportunities for a 1 on 1 meeting with the tutor, but you are welcome to arrange a meeting with the tutor for a later date if there is something vital that the tutor or school need to know. You are always welcome to email me, should you have any concerns that you would like to discuss.

Parent / School Communication

As a final point, can we please ask that you copy Claire Kent, our Communications Officer (ckent@oxtedschool.co.uk) into any email communications with the school. This enables us to ensure we respond as quickly as possible to any queries that you may have.

Mrs D Evans
Year 11 Progress Leader
