Dear Parents/Carers

Year 11 GCSE Revision Classes

I am pleased to make you aware that some subject departments are running a variety of revision classes during the Easter holiday and May half term holidays.

The aim for this is to further support our GCSE students and it is hoped will help the students to create a routine and structure to enable them to learn and understand the content of their courses.

In order for these revision classes to take place I would ask for a voluntary contribution of £30.00 to cover the number of classes your son/daughter wishes to attend. This will be used to cover the cost of the teaching and revision material. A list of the subject departments and the days involved are attached. Registers will be taken at each of the classes so it is important that students only attend the classes they have requested on the reply slip.

At this very important time for your child, I would like to provide all our students with an opportunity to come and ask questions arising from their own independent revision programmes, to consolidate their understanding of topics covered and to discuss exam technique in an informal atmosphere. There will be plenty of opportunity to practice questions tailored to the topics which they have identified as potential weaknesses.

If you would like your son/daughter to attend any of the revision classes, payment should be made using the online payment system and your Tucasi log in. If you have not received your unique Pupil Link Code to set up your online account, please contact financesf@oxtedschool.co.uk to forward the details you require. Please ask your son/daughter to return the reply slip in a clearly marked envelope to the 'Finance letterbox' by **Friday 23 March 2018**.

If you have any questions regarding any of the information above, please do not hesitate to contact me.

Yours sincerely

Ms A Bergamo
