Dear 'Class of 2018' Students and Parents/Carers

Graduation Evening – Thursday 30 August 2018

It gives me great pleasure to invite you to our annual Graduation Evening, which will be held at Oxted School on Thursday 30 August, starting at 7.30pm in the Main Hall.

This evening officially marks the achievements of all the students during their time in the Sixth Form at Oxted School. Students will receive a certificate that acknowledges their whole contribution to Oxted School both in terms of their community contribution as well as their academic achievement whilst in the Sixth Form.

We are delighted that this year Vicki Woodall has agreed to be our guest speaker. Vicki is a former member of Oxted County School (as it was known then) and left the Sixth Form in 1996. Along with her husband Woody, Vicki set up 'George and the Giant Pledge' in response to discovering their son George had cancer. This was also our chosen charity for RAG week this year. All monies raised by the charity go to support the wonderful work of The Royal Marsden Hospital for Children. In 2017 George and the Giant Pledge was chosen as the Just Giving charity of the year and to date has raised over £700,000 on their way to their target of £1 million. Working with Vicki on RAG week was amazing and she is an inspirational person who has the most wonderful message and advice to share with our young people as they themselves begin their life after school.

Over the past twelve years this event has become very well established and is attended by 130–150 students annually with their parents, carers or other guests. The staff and Governors of Oxted School are also proud to attend this event to acknowledge the students' successes and wish them well for the future.

The evening also provides a final opportunity for the 'Class of 2018' to be together to celebrate their results and wish each other well before embarking upon their futures. This year's graduation will also include the distribution of the 2018 Yearbook, and this will be a fantastic opportunity for students to sign each other's books.

Graduation has also proven to be a wonderful evening for parents and carers, many of whom will have met at the gates of primary school and shared in their sons and daughters progression throughout their education. There will be time to mingle, chat and share a few memories over a drink and refreshments at a reception in the Eden Hall following the ceremony. In order to cover the cost of the refreshments, there is a nominal charge of £6.00 per guest (students do not have to pay).
