

Year 8 Parent Notes

This week there has been disruption with snow, therefore I would like to just remind you of a few key points:

- 1) The options assembly that took place last week with Ms McNamara can be found on the school website under the 'information' tab and 'letters home'. Students will choose and record which options they would like to take using a computer programme
- 2) Students will be given individual accounts after options evening. We feel that this is the time where students will be best placed to make an informed decision. In order to best prepare themselves for options evening, it would be helpful if you could look through the options booklet with your child at home. This can be found on the school website here: www.oxtedschool.org/133/gcse-options-2018
- 3) Year 8 progress evening on Thursday 8 March
- 4) Year 8 options evening is on Thursday 15 March
- 5) Student options accounts will open after this and they can record their options choices with you at home, or in tutor time with their tutor

Have a good weekend.

Mrs A McNamara
Assistant Headteacher – KS3
