

Year 8 Parent Notes

Year 8 students are now a half term into their second year at Oxted and we are sure that they appreciated the rest over the half term holidays to recharge their batteries after a hard-working period.

For your information, students will receive their reports in the w/c Monday 20 November. Grade sheets will be sent home with the students and will be uploaded to Frog. Students should be aware that all their work, in class and at home, counts towards the grade that teachers enter. They will also receive an attitude to learning grade to indicate their behaviour in class and how your child approaches their learning (see below for a reminder of what each number means).

If you feel that homework is something that your child is struggling with, please do encourage them to attend **SHOW**time after school on a Tuesday and Thursday in F29. Computers will be available and a teacher is around to support the students. **SHOW**time is not a punishment and attendance will not attract behaviour points; it is meant as a positive support.

In addition, we are looking to bribe, sorry I mean incentivise, the students to come by providing hot chocolate and marshmallows which will be available from next week!

Have a good weekend.
