

## **Year 8 Parent Notes**

Year 8 assembly this week saw the launch of Year 8 camp. The students watched a video of last year's camp to give them an insight as to what camp involves and to encourage all students to attend. This is a fantastic opportunity, unique to Oxted School which we would like all Year 8 students to experience and be a part of. Older students continue to reminisce about their time at camp for many years to come, as it really is an unforgettable experience. The letter for camp was sent home via email on Tuesday and a copy can be found on the Year 8 section of the school bulletin.

If there are any issues regarding funding for camp, or any other problems that may prevent a child from attending, please get in contact with the House Team who will try to support you in any way they can.

The school show 'Anything Goes' has been running this week with great success – Friday and Saturday completely sold out! Due to so many talented students wanting to take part there have been two casts. They have all been working tirelessly to put on a wonderful and funny show.
