Headteacher	Mrs N Euridge BA Hons, NPQH

November 2017

Dear Parents/Carers

Year 8 Technology Project Materials

As part of the Technology curriculum, your son/daughter has been allocated two periods per week for both Food/Textiles and Resistant Materials/Graphics. Projects will operate on a rotational basis and as such, specialist materials will be needed at certain times of the year.

In Textiles, your son/daughter will be involved in a project to produce a themed cushion cover. In Resistant Materials/Graphics they will be designing and making a speaker, a clock, and a pen pot holder. To help us to continue to offer such a wide range of products and materials, we must ask for a contribution of £5.00 to help cover the cost of both projects.

Payment should be made using the online payment system and your Tucasi log in. If you have not received your unique Pupil Link Code to set up your online account, please contact financesf@oxtedschool.co.uk to forward the details you require. Please complete and return the reply slip to the Finance Letterbox as soon as possible.

As I am sure you can appreciate, it takes a lot of organisation, equipment and materials to deliver the high quality lessons that our students enjoy. Once your contribution has been received all of the project items will be available to take home after they have been completed and assessed.

Thank you for your support with this matter.

Yours sincerely

Mr N Boldison-Smith
Head of Faculty
