Dear Parents/Carers

Year 11 Spring Assessments

Having completed the Winter assessment feedback and reflection process, including the issuing of academic reports, we now turn our attention to the next assessment window. The Spring Assessments for Year 11 will begin the w/c Monday 9 February and continue after the half term break.

This will be the final opportunity for students to sit formal assessments before their GCSE examinations in the summer. We therefore aim to replicate the experience as closely as possible, including seating students at the same desk and locations where feasible.

To support preparation, please refer to the Spring Assessment Booklet, which includes:

- Details of what will be assessed in each subject
- Key elements to revise
- An overall exam timetable

Students will receive personalised exam timetables by the end of this week.

Exam Information and Study Resources

The Revision Hub is available for students to access a wide range of materials, including:

- Past papers

- Model responses and other useful resources

We encourage students to make full use of these resources as they prepare for the Spring Assessments.
