Bringing Out The Best

Empowering Futures with Smart Money Skills!

We're proud to celebrate our Thrive + KS4 students for successfully completing the HSBC Smart Money Programme

Across 6 engaging modules, students have built essential financial skills to support independent living and real-world readiness. From mastering banking basics to understanding budgeting, saving, credit, and employability, they've taken powerful steps towards a confident financial future

The programme covered:

- Banking essentials (delivered by HSBC)
- Budgeting & spending habits
- Saving for the future
- Borrowing & credit scores
- Fraud awareness
- Income, tax & employability (delivered by HSBC)

Delivered through flexible, impactful sessions, this programme has helped our learners gain practical knowledge for life in modern Britain

We're also delighted to receive the HSBC Smart Money Award, recognising our commitment to preparing young people for the future.
