2 September 2026

Dear Parents/Carers

Sixth Form Parent Information Evening
Wednesday 9 September – 6pm

Students fulfil their potential when home and school work closely together. It is important that we build effective communication so that we can work together to *bring out the best* in your child.

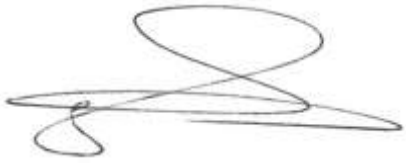
We would like to take this opportunity to share the expectations we have of all students, the provision at Oxted School, and how you can support from home. We hope that having a clear idea about the year ahead will help you to support your child to take responsibility for their learning.

You are invited to our Sixth Form parent information evening on Wednesday 9 September in the Main Hall. For the first half of the session, Ms Bergamo (Director of Sixth Form) and I will give a presentation to parents which will cover:

- School vision and values
- What the school will do to support students
- What the students can do to ensure success
- How you can support your child during this academic year
- How information will be shared between school and home

During the second half, you will have an opportunity to meet your child's tutor and hear about tutor support for students this year. You may also wish to use this time to ask any questions which concern all the students in the group. There is unlikely to be time to discuss specific aspects of your child's education, so if a longer conversation is needed, please do speak to your child's tutor to arrange a suitable time to meet.

Yours sincerely



Mr M M J Devenney
Principal
