Course Choices

Please list your course choices in order of preference, clearly specifying the course title as in the Sixth Form Course Guide 2027. We will do our best to ensure that you are able to study your chosen combination of courses, but we cannot guarantee that all combinations will be possible because of timetable constraints and unexpected demand for some subjects. At this stage we ask you to make a provisional choice to help us plan our timetable for next year. Choices will be finalised during enrolment.

Acceptance onto any course is dependent upon achieving the required course entry grades as specified on the relevant subject pages in the Sixth Form Course Guide 2027. If a course does not attract sufficient numbers of students to make it viable, it may be withdrawn. Students will be notified in advance and support offered to find alternative courses.
