Dear Parents and Carers

We have enjoyed a very strong and positive start to this half term. Students have returned ready to learn, and it has been wonderful to see such a purposeful atmosphere across the school.

I would like to take the opportunity to thank all those involved in our Remembrance Day service on Wednesday. This is always a poignant and important occasion for our school community, providing an opportunity to come together, reflect and remember those from Oxted and the wider community who have served and sacrificed.

Assessments for students in Years 7, 8 and 11 are currently in progress. Next week, Year 11 students will complete their Winter assessments in examination conditions. This will provide valuable experience of the formal examination arrangements they will encounter during the summer. We wish all our students well and encourage them to prepare carefully, make good use of the support available and approach each assessment with confidence.

A student survey has been sent to all students by email from TEP, and a homework task has also been set on Class Charts to remind students to complete it. I would be grateful if you could encourage your child to take part, as their feedback is extremely valuable. The survey should be completed by Friday 20 November.

Next week is Anti-Bullying Week. Students have received an assembly introducing the week and its key messages, and a range of activities will take place during tutor time. These activities are designed to encourage our students to consider the importance of kindness, respect and speaking out when they are concerned about bullying.

Students have also been enrolling on the Duke of Edinburgh's Award programme this week, with enrolment continuing next week. There is still time for students to sign up should they wish to take part. The programme offers an excellent opportunity for young people to develop their confidence, independence, resilience and teamwork skills.

Our enrichment programme for this half term has now been updated and is available on the school website.

There is a wide variety of clubs and activities on offer, giving students the chance to explore new interests, develop their skills and become more involved in school life. All activities come at no cost so please encourage your child to review the programme and sign up for any clubs that interest them.

A reminder that our Year 13 Parents' Evening will take place on Thursday 3 December. A letter containing further information and booking details will be sent home shortly.

Please also remember that Friday 4 December is an INSET day, and the school will therefore be closed to students.

Looking ahead, we have a busy few weeks approaching. Once the assessment period is complete, our attention will begin to turn towards Christmas and the many festive activities taking place across the school.

The Friends of Oxted School Christmas Fair will be held on Saturday 5 December from 2pm. This is always a wonderful community event, and we hope that many of our families will be able to join us. The FOXS are currently seeking donations for the tombola stalls. Any suitable contributions would be gratefully received and will help to make the fair a great success.

At the end of last half term, we held a whole-school lockdown practice. This was very successful, with students and staff responding calmly, sensibly and promptly. Practices such as this are an important part of our safeguarding procedures, and I would like to thank everyone for taking the exercise so seriously.

Finally, students will finish school early on the last day of term. A letter confirming the arrangements and timings will be sent to families over the coming weeks.

Thank you, as always, for your continued support. I look forward to sharing further news and celebrating the achievements of our students throughout the term ahead.

Mr M M J Devenney
Principal

Attendance

The vast majority of students have made an excellent start this year and we are delighted that most students' attendance is looking very positive. We would like to take this opportunity to remind parents of the importance of attendance at school and remind you to please telephone the school to alert us to your child's absence for every day that they are off. Any days which are not accounted for by you (via telephone or email) will be counted as unauthorised absence.

As per Surrey County Council guidance, we will also issue fixed penalty notices (which can lead to fixed penalty fines) for extended periods of unauthorised absence.

If you have any queries regarding attendance at Oxted School, please do contact our attendance team (attendance@oxted.thpt.org.uk).

Amount Payable for a Penalty Notice

The Amount Payable Under a Penalty Notice: The Education (Penalty Notices) (England) (Amendment) Regulations 2024.

1. If a parent/carer has not incurred a penalty notice relating to the relevant child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3-year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3-year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s 444 Education Act 1996

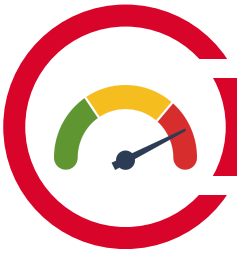

Expected Attendance

- 100% Attendance - 0 days of absence
- 98% Attendance - 4 days of absence - 20 hours of learning (potentially 24 hours in Year 11)

Risk of Underachievement

- 96% Attendance - 8 days of absence - 40 hours of learning (potentially 48 hours in Year 11)
- 93% Attendance - 14 days of absence - 70 hours of learning (potentially 84 hours in Year 11)

Severe Risk of Underachievement

- 90% Attendance - 20 days of absence - 100 hours of learning (potentially 120 hours in Year 11)
- 85% ATtendance - 29 days of absence - 145 hours of learning (potentially 174 hours in Year 11)
- 80% Attendance adds up to missing two full years of education over their school life

Enrichment

As we move towards the end of the autumn term, it has been fantastic to see Year 7 students continuing to settle into life at Oxted School. Students are becoming increasingly independent, confident and resilient in their learning, while also embracing the many opportunities available to them outside of the classroom. Thank you for your continued support in helping students maintain the high standards we expect in Year 7.

Student of the week

Congratulations to our Student of the Week, Joshua M for exceptional effort in lessons and consistent demonstration of Oxted School values. We look forward to celebrating more student success in the coming weeks.

Attendance and Punctuality

Excellent attendance continues to be one of the key factors in student success. We are delighted to celebrate the following tutor groups for achieving the highest attendance figures this fortnight:

7T1 - 98%
7D2 - 98%
7F2 - 98%
7S1 - 98%

Thank you to those supporting strong attendance and punctuality. Every lesson counts, and maintaining attendance above 96% gives students the very best opportunity to achieve their potential, academically and socially.

Behaviour and Achievement

It has been pleasing to see so many students earning achievement points through positive contributions in lessons and around the school. The competition between tutor groups remains close, with students continuing to demonstrate excellent attitudes towards learning.

Congratulations to our leading tutor groups:

7T2 - 902 points
7S2 - 852 points
7F2 - 778 points

The positive culture developing across the year group is something we are very proud of, and students should continue striving to collect achievement points through excellent effort, participation and conduct.

Year 7 Assessments

We have now hit the halfway mark in our first period of Year 7 assessments, and many subjects are now conducting assessments that allow students to demonstrate the knowledge and skills they have developed throughout the term. We encourage students to review classwork regularly, complete all supporting homework tasks and make use of revision resources provided by their teachers, including the revision hub via the school website.

The most successful students are often those who establish consistent study habits early. Spending short periods revisiting learning each evening can significantly improve confidence and performance during assessments.

Upcoming events:

INSET Day - Friday 4 December
Christmas Jumper Day - Wednesday 9 December
Christmas Lunch - Wednesday 9 December

Further information regarding these events will be in the next parent bulletin.

Thank You

Thank you for your continued support of Year 7. The partnership between home and school remains vital in ensuring every student can flourish. We are incredibly proud of the way students have embraced the challenges of secondary school so far and look forward to celebrating even more success throughout the remainder of the term.

Year 10
Year 11
Sixth Form
Enrichment

Year 8 students have continued to engage with a range of activities designed to support both their personal development and their contribution to the wider school community.

In preparation for Anti-Bullying Week, the Year 8 assembly explored the importance of recognising, preventing and responding to bullying. This annual UK campaign raises awareness of bullying, promotes kindness and encourages everyone to play an active role in creating safe and supportive communities. The 2026 theme, 'Break the Silence', encourages people to speak up about bullying, listen to those who are affected and work together to make a positive difference.

Students have received and started working through this term's leadership booklets. The focus of these booklets is on developing themselves, contributing to the community and working effectively with others. They provide an innovative way of recognising student leadership skills and celebrating the positive impact our students have within their classrooms, across the school and throughout the wider community.

Tutor Time and Assemblies

Over the past fortnight, tutor time has focused on relationships, including what makes a healthy romantic relationship and why people choose to form these types of connections. Students have had the opportunity to reflect on the qualities that underpin positive and respectful relationships.

This week, our focus has shifted to Anti-Bullying Week. Through a range of scenarios, case studies and discussions, students have explored what bullying can look like, how it affects individuals and the actions we can take to support others. A key part of this learning has been the STAND approach:

- **S**pot bullying
- **T**hink about the impact – how might the person be feeling?
- **A**ct safely
- **N**otify a trusted adult and report concerns
- **D**o show kindness and support those experiencing bullying

Students have also discussed the important difference between banter and bullying, with these messages reinforced in Miss Golightly's assembly on working together and standing strong against bullying.

On Wednesday, the whole school participated in a Remembrance service, which was streamed to classrooms across the school. Several students were invited to attend the service in the Main Hall, and the school community observed the two-minute silence with great respect and reflection.

We have also seen sign-ups open for the Duke of Edinburgh's Award Bronze Award, with a record number of students expressing an interest in taking part this year. Any enquiries regarding the programme can be directed to dofeadmin@oxted.thpt.org.uk.

Attendance Matters!

Every school day counts, and regular attendance is vital in helping students make the most of their learning, personal development and opportunities at school.
We are delighted to celebrate the tutor groups who achieved attendance above 94% this week.

T2	94%

Celebrating Achievement

Congratulations to Harry K, who made a tremendous leap in House points last week and was named Student of the Week. Well done, Harry!

A special mention also goes to the students leading the House point leaderboard this week:

- Elspeth E - 76
- Kate M - 56
- Thomas O - 56
- Thomas S - 51
- Laila IB - 51
- Millie W - 46

Well done to all students for their continued hard work, positive attitudes and contributions to school life. Keep up the excellent effort!

Ms Wallace
Deputy Head Year 9

Year 10

Acting Head of Year: Miss K Haslett
Deputy Head of Year: Mrs L Child
Pastoral Manager: Mrs R Morris

Welcome to Autumn Term B! It is wonderful to see students back and ready to learn after resting and resetting during the October half term break. The weather has certainly shifted, so please make sure your child is coming to school with a warm coat.

This week, we were delighted to finalise our Year 10 student leadership team, with Student Representatives and House Representatives from each tutor group. These students play a vital role in ensuring that the views and experiences of their peers help shape our school community, and we would like to thank everyone who volunteered for these important positions.

Our newly appointed student leaders also represented Year 10 at the school's Remembrance Service on Wednesday in the Main Hall. The service was streamed to classrooms, allowing all students to participate in this important act of remembrance. We were particularly proud of Year 10, who conducted themselves with maturity and respect throughout this poignant occasion, reflecting thoughtfully on the sacrifices made by others and the importance of remembrance.

Finally, please remind your child to have their full uniform and equipment ready each day. If your child is missing anything, please contact their tutor in the first instance. Remember that nose piercings and false eyelashes are not allowed.

Recent achievements to celebrate:

- **Lucia D (10S3)** excellent embellishment work in Textiles
- **Mark T (10S2)** giving up lunch time to work on his solo for the school show
- **Joshua F (10D1)** Excellent focus in Biology lessons
- **Isobel L (10G2)** Fantastic development work in Geography

Assembly themes:

- Anti-Bullying
- Remembrance

Topics discussed and work done during tutor time:

- Anti-bullying
- Mental health
- UK Disability History Month

Assessments and Being Prepared
In assembly this week, the focus was on assessments and being prepared.

Year 11 Winter Assessments started this week and will continue over the coming weeks. These assessments provide valuable opportunities for students to assess their knowledge, identify areas for improvement, and prepare effectively for their GCSE examinations.

To ensure students are fully prepared each day, please remind them to bring:

- A clear water bottle
- A clear pencil case containing:

Black pens, pencils, ruler, eraser, sharpener, scientific calculator, compass, protractor

Being organised and equipped helps students approach assessments with confidence and perform to the best of their ability. We encourage all students to check their equipment each evening and arrive at school ready to succeed.

From the Sidelines
Parents and carers can continue to access our weekly 'From the Sidelines' support materials, offering practical advice on revision, wellbeing, and motivation throughout Year 11. We introduced this to students in assembly this week and hope it encourages supportive conversations at home.

Celebrating Success
A huge congratulations to our current Year 11 students with the highest achievement point totals. Their commitment, resilience, and positive attitude towards learning provide an excellent example for their peers.

Top 5 Achievement Point Leaders:

- James T (11G2) - 351
- Hannah S (11F2) - 334
- Rusell P (11G1) - 326
- Lexie R (11G1) - 311
- Freya M (11S2) – 309

Year 12 Assessments and Folder Checks
We have had a busy start to this half term. Year 12 returned to in-class assessments last week and this week we have moved on to folder checks. Having well organised files of notes and other resources for each subject is essential for effective revision.

Year 13 Grade Reports and Predicted Grades
Year 13 students and parents/carers were sent copies of the latest Grade reports this week following their assessments in October. The reports include the latest UCAS predicted or Most Likely Outcome grades. Do contact the Sixth Form Team with any queries related to the reports.

Year 13 Getting Involved in the Oxted Remembrance Parade
We are very proud of Student President Joshua P and Deputy Student President Evan J. They took part in the Oxted Remembrance parade on Sunday and laid a wreath on behalf of the school.

Year 13 Student Representing GB
A big shout out to Year 13 Jolene D who is one of our visually impaired students. She has been selected to represent Great Britain in Egypt in Judo for a paralympic ranking point event. This is a massive opportunity for her being a junior and this being a mainly senior event.

Tutor Time and Assemblies
In tutor time Year 12 students are being asked to research career and university options using our online career platform 'Unifrog'. Students have a log in and their username is the school email address. The year group will be moving on to finding out more about the well regarded Sixth Form success Model VESPA (Vision, Effort, Systems, Practice and Attitude) in their assembly and tutor time.

Year 13 have been continuing to work on personal statements and applications. In assembly this week the focus was on the key skills needed for interviews and the apprenticeship application process. Congratulations to the Those students who have submitted their UCAS application forms, and we are pleased to report that some great offers have been received already.

The students who are taking part in the What Career? Live event this week attended a preparation session in tutor time to start planning which employers they want to meet and workshops to attend.

Extended Project Qualification
Well done to the students who took part in the useful teaching session this week on Time Management when planning their EPQ.

Year 12 Oxted Advantage Group
It was wonderful to see a great turn out for the first meeting of the Oxted Advantage group. The aim of the meeting was to introduce all the University Application key dates and events for Year 12 and Year 13. The students were also given a copy of the updated 2028 Oxted School guide to applying to Oxford and Cambridge.

Year 13 students – time to apply for Degree and Higher Apprenticeship opportunities!

A large number of apprenticeship opportunities are being advertised on the Year 13 Careers and Apprenticeship information teams page and we are encouraging students to sign up for the free online application master classes which start on Wednesday 18 November.

Degree & Higher Apprenticeship Masterclasses — Registration – Fill in form

There is more information for parents in the Apprenticeships area of the school website -
